TRIUMPH CLUB OF NORTH FLORIDA

This is just a note to get a few information items out to you before the overdue NEWSLETTER COMES OUT NEXT WEEK.

First of all, I AM alive and getting well, and now seem to be able to try taking up my duties again with the club. The Club HAS HUNG TOGETHER in the absence of a NEWSLETTER! Through the regular monthly meetings at BOB PILLING'S home on the FIRST WEDNESDAY of each month along with phone contacts, enough information has been passed on to at least keep the club going! (WE APOLOGIZE TO NEW MEMBERS WHO MAY HAVE JOINED AND NOT KNOWN ABOUT OUR REGULAR MEETINGS.)

Regular events have proceeded just as well without my participation. There was an incredible trip to DAYTONA to see the vintage sports cars outfitted for racing. There was the ANNUAL TREK TO HAZELHURST, which I understand was as successful as last year! There was a great TECH SESSION at IMPORTS UNLIMITED on engine rebuilding, at which members (under DEWEY'S supervision) tore down a TR6 motor. Dewey taught us how to look for wear. Another similar session was held in which members again got their hands dirty cleaning that engine's many parts in preparation for the coming REBUILD. (See below!)

NEXT (We put the engine together!)

TRIUMPH NEWS BRIEF

As we all know our other local (Florida) Clubs have asked us to host a REGIONAL in October 1991. At the moment a small committee has been formed to select the site, the track and the hotel and coordinate a date that the Roadster Factory can accommodate us. Later we will need many volunteers to assist in various roles. This will be a complete club participation event.

The next General Meeting will be at Don Marshall's house at 6:30 p.m. on Wednesday, February 6th.

Don's Address is: 11430 Starboard Drive

We will be planning this years program and would like to have everyones input, so please try to attend.
